

NGUYỄN THANH PHÚ

ADS QUALITY RATER CANDIDATE

Objective

I am a detail-oriented, responsible, and adaptable individual with a strong interest in online content evaluation. Leveraging my analytical thinking, self-learning abilities, and bilingual proficiency in English and Vietnamese, I aim to contribute to improving online advertisement quality and user experience.

Key Skills

- Internet Research: Skilled in using major search engines and identifying user intent based on keyword searches.
- Content Analysis: Strong ability to assess relevance and quality of online advertisements.
- Critical Thinking: Adept at evaluating content and suggesting improvements based on user needs.
- Technical Proficiency: Basic understanding of online platforms and website navigation.
- English: TOEIC score: 645 (Reading & Listening).
- IT background: Fundamental knowledge of software development.

Education

Ho Chi Minh City University of Technology (HCMUT)

- Fourth-year student
- Major: Computer Engineering
- GPA: 7.48/10
